

QUICK REFERENCE GUIDE

Adding Keynotes to Vivi Signage

Keynotes can not be directly uploaded to the Vivi signage platform. To add one you simply turn them into a video.

STEPS

1. Open the file in Apple's Keynote
2. Go to the File tab
3. Click on Export To
4. Select QuickTime
5. Choose Format and Seconds before going to next slide
6. Now press Next
7. Finally press Export
8. Upload video to the Vivi Signage platform
